

Changed number of votes in Logistea

During May 2026, the Annual General Meeting of Logistea AB (publ) ("Logistea") resolved that all ordinary Class A shares in the company shall be converted into ordinary Class B shares in accordance with item 21 of the notice to the Annual General Meeting.

Pursuant to the authorisation in the Articles of Association, the Board of Directors has subsequently resolved to carry out the conversion, whereby all ordinary Class A shares have been converted into ordinary Class B shares during May 2026. Following the conversion, there are no longer any outstanding Class A shares in Logistea, which means that all ordinary shares in Logistea carry the same voting rights. The total number of shares in the company remains unchanged.

As a result of the conversion, the total number of ordinary Class B shares has increased by 23,157,486 and the total number of ordinary Class A shares has decreased by 23,157,486 during May 2026.

As of 29 May 2026, the total number of shares in Logistea amounts to 510,559,896, all of which are ordinary Class B shares carrying one tenth (1/10) of a vote each. The total number of votes in Logistea as of the same date amounts to 51,055,990.

The share capital remains unchanged and amounts to SEK 255,279,948 as of the same date.
